

generate_table

```
graph LR; A[generate_table] --> B[get_floating_point_length]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'generate_table'. The right box is white with a black border and contains the text 'get_floating_point_length' on two lines. A dark blue arrow points from the right side of the gray box to the left side of the white box.
