

console\_input.h

```
graph TD; A[console_input.h] --> B[string]; A --> C[date.h];
```

A diagram illustrating a header file dependency. At the top is a gray rectangular box labeled 'console\_input.h'. Two blue arrows originate from the bottom edge of this box. The left arrow points to a white rectangular box labeled 'string'. The right arrow points to a white rectangular box labeled 'date.h'. Both 'string' and 'date.h' boxes have a thin gray border.

string

date.h
